

No Need To Be Alone...

Not When You Have PRAYER SISTERS!

Many women today feel alone, their busy lives void of caring relationships. Often in an attempt to make friends, women join a local church. Unfortunately, just simply “being together” at church does not cultivate the intimacy women crave.

But picture this... Imagine yourself surrounded by buddies in a cozy kitchen as you share your concerns, your trusted friends listening to every word and lifting them in prayer for you.

Prayer Sisters formed for just this purpose—to help women walk through life together and support each other in prayer.

Why Become a Prayer Sister?

- Support ... Prayer Sisters are comrades through life’s challenges, both in prayer and practical ways.
- Friendship ... Loneliness disappears for a Prayer Sister; she instantly has friends to enrich her life.
- Spiritual Growth ... In the safety of confidentiality and trust, Prayer Sisters help each other grow deeper in their faith and stronger in their inner being.

Come meet (a local group of Prayer Sisters or Speaker)...and learn how to become a Prayer Sister yourself!
